MAY/JUNE 2018

2018 AVIAION DAYS OPEN HOUSE

The 2018 Aviation Days Open House will be held on Father's Day weekend, June 16th (9am-6pm) and June 17th (9am-4pm). This event gives us the opportunity to showcase the York Airport to the local community. The York Airport is the major General Aviation airport serving the York, Hanover and Gettysburg areas, and has a positive economic impact to those communities.

Airplane and helicopter rides will be available. Ride tickets range from \$30 to \$40 per person. We will also have static aircraft displays, including everything from WWII bombers to modern business jets. Food and beverages will also be available. There is no admission fee to the event. For safety reasons, smoking is prohibited at the event.

We hope to see everyone on Father's Day weekend!

AVIONICS SERVICE NOW AVAILABLE AT THE YORK AIRPORT

The York Airport is happy to announce the opening of an avionics shop on the field - Avionics Exchange LLC. The Avionics Exchange is a certified FAA repair station and is owned and operated by Dawayne Wilcox. Dawayne brings a fantastic reputation, along with over 30 years of general aviation avionics repair experience, to the airport. You can learn more about their products and services on their [website](#) and [Facebook](#) page.

Click [here](#) for specials they are offering during the month of June

We welcome Dawayne and his wife, Marie, to the THV community and wish them the best of luck with their business!

MONTHLY TRIVIA CONTEST

50/50 CHALLENGE

Earn an additional 50 cents off per gallon of fuel (up to 50 gallons) by winning our monthly challenge!

MARCH/APRIL CHALLENGE ANSWER:

During the winter months, Alton Bay Seaplane Base, on Lake Winnepesaukee, Alton Bay, New Hampshire, has the only FAA approved ice runway in the continental U.S. The frozen, 2,900' runway sees more than 600 takeoffs and landings between January and March each year.

Congratulations to John Majane, from Germantown, MD, for submitting the first correct answer!

MAY/JUNE CHALLENGE QUESTION:

This Class "D" Pennsylvania airport lies within 13 Nautical Miles West of the Highest Terrain Elevation as depicted on the Detroit Sectional.

TRIVIA CONTEST RULES

1. Responses must be submitted via e-mail to mtomlinson@york-aviation.com with contestant's name and location (city, state).
